

As Seventh-Day Adventist Christians, The Members of Kress Memorial Church believe:

1. That Christ has called us to the obedience of faith in all aspects of life.
2. That he has commissioned us to be an extension of his hands in ministry to those who live around us.
3. That he intends to use our voices and our abilities to communicate his love to the world and to prepare people for his second advent.

To fulfill these goals, we daily seek the empowerment and presence of the Holy Spirit in our hearts.
